Trent Middle School Band Boosters Personal Training Financial Aide Application

The Trent Middle School Band Boosters have budgeted a finite amount of funds for the purpose of supplementing the instrumental personal training program at Trent Middle School. Only current and qualified Trent M.S. Band members are eligible. This financial aid is designed to MATCH HALF of the current personal training price of \$18.00 a week. The recipient is responsible for the REMAINING HALF (\$9.00) of each session. Payments should be made at the beginning of each month, with funds going directly to the personal trainer.

Criteria for Selection

1. The general criterion for qualification is for the student to be on the Federal Free/Reduced Lunch program. If student is **not** participating in the FF/RL please provide, in writing, any financial hardships that would require financial assistance.
2. Practice for every session, making weekly satisfactory progress as deemed by the personal trainer and the band directors.
3. Attend all personal training sessions for the semester. Missed sessions will not be supplemented. Recipients agree to pay the full price for unexcused absences.
4. Be in good academic standing. Recipients **MUST HAVE ALL PASSING GRADES**. Failing any class will immediately forfeit financial aid for the duration of the semester.
5. Student and/or Family must do their very best to support the band by volunteering for events such as concessions or trip chaperone.

Ineligible for Selection

1. Any student with outstanding, current or previous years, band registration fees, outstanding balances under the Fisd instrument rental agreement, or outstanding balances owed to any current or former personal trainers will be ineligible.
2. Any student not participating in the FF/RL who is participating in another extra-curricular activity that requires fees will be ineligible.

All applications will be confidential being reviewed and approved by the Band Directors only. The Band Directors reserve the right to terminate financial aid for criteria violations, including participation in another extra-curricular activity that requires fees. As funds are limited, applications submitted for financial aid are not in any way guaranteed acceptance. I, the undersigned, have read and understand the above financial aid information/Policy Statement and agree to its terms and conditions.
